

Ontario Model Soldier Society Annual Auction

Sunday November 19, 2023

Branch 643 Royal Canadian Legion 100 Jutland Road Toronto

Doors Open 11:00 am. Auction Starts at 12:30 pm.

The OMSS will hold its annual auction at our November meeting. Here's what you need to know.

Auction Rules and Procedures

1. You must be a member in good standing (2023 dues paid) to put lots up for sale.
2. All bidders and sellers must register and obtain a paddle number before the start of the auction. The registration fee is \$2. Paddle number is used to identify both buyers and sellers.
3. There are no buyer's premiums or commissions charged.
4. The auction will be limited to 100 lots. It's first come, first serve..
5. An auction card must be completed for each lot. Tear off and keep the "Seller's Stub" portion of the card, which you can use to keep track of what your items sell for.
6. If you wish to fill out the descriptions of your items ahead of time use the forms supplied on the next page. The page can be copied and cut into four. The completed slips can be attached to your auction cards to overlay the matching section of the card. (Stapler will be on hand.)
7. You have the option of specifying a reserve bid on the auction card. The auctioneer will start the bidding at this amount.
8. Lots are NOT auctioned in numerical order. Order is at the discretion of the auctioneer and his assistants and is essentially random.
9. The minimum bid increment is \$1. As bidding for an item progresses the auctioneer may raise the increment he will accept.
10. You cannot bid on your own lots.
11. Hobby related items only please.
12. No weapons (authentic or reproduction) of any kind.
13. Please bring cash. We are not in a position to accept cheques as we have to pay the sellers. The Legion does have an ATM.
14. The auction committee will keep track of sales and accounts will be settled after the close of the auction. We ask that sellers allow buyers to settle up first so that we have the cash to pay you.
