Information for Vendors

Location - New Larger Venue

For 2024 we are moving the show to a new larger venue where we won't have to turn vendors away for lack of space. Our show space will have two large adjoining gymnasiums with excellent lighting. We have also been able to move our show back to our traditional Saturday date. The Horner Centre is about 15 minutes away from last year's location. See our show page at omss.ca for detailed directions and site plan and other show details.

Set-up times

Friday 3 to 6 pm - We will be setting up the show space. Vendors are welcome to bring their merchandise in at this time once we have had a chance to get the tables set up.

Saturday 7 to 9 am - Vendors and exhibitors with large displays. We will be admitting show visitors from 9 am so please have your load-in completed by then.

There will be a dedicated door for loading in direct from the parking area to the vendor space. We ask that you bring all your merchandise in at once before starting to set up so that we can give others access to the load-in area. Show personnel will be on hand to direct and assist you.

Vendor tables

Rental is \$50 per table for the day. Tables are 6 ft x 30 in. After May 1st the price rises to \$60.

With our larger venue we are not limiting the number of tables per vendor.

Cancellations will only be refunded if we receive notice at least 72 hours beforehand.

Please bring your own tablecloths if desired. Chairs are provided.

Each table reserved includes one admission to the show. For example if you book two tables that would include admission for you and one helper. If you wish to bring additional helpers above this they will need to pay the \$10 admission (you can include it with your registration).

Please fill out the enclosed form and submit it with your payment.
